

The Joplin Region
Offers a Business
Climate That
Fosters Success

The Joplin Region has created an environment in which a wide variety of businesses thrive. Our partnership approach, which encompasses seven counties in Kansas, Missouri, and Oklahoma, builds connections between government leaders, educators, community stakeholders, existing businesses, utility providers, and workers. We're prepared to handle almost anything from manufacturing and logistics to food processing and more. [Click here](#) to see which industries love calling the Joplin Region home.
